List of Programs

THIS PAGE INCLUDES:

>> [List of Programs](#)

List each program for an initial teaching credential below and indicate whether it is offered at the Undergraduate level (UG), Institution Information Postgraduate level (PG), or both.

(§205(a)(C))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Teacher Preparation Program](#)

List of Programs

CIP Code	Teacher Preparation Programs	UG, PG, or Both	Update
13.121	Early Childhood Education	UG	
13.1202	Elementary Education	UG	
13.1	Special Education	UG	
13.1312	Teacher Education - Music	UG	
13.1314	Teacher Education - Physical Education and Coaching	UG	

Total number of teacher preparation programs:

5

Program Requirements

THIS PAGE INCLUDES:

- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

Check the elements required for admission (entry) into and completion (exit) from the program. If programs are offered at the undergraduate level and postgraduate level, complete the table for both types of programs. [\(\\$205\(a\)\(1\)\(C\)\(i\)\)](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Full-time equivalent faculty supervising clinical experience](#)
- [Adjunct faculty supervising clinical experience](#)
- [Cooperating Teachers/PreK-12 Staff Supervising Clinical Experience](#)
- [Supervised clinical experience](#)

Undergraduate Requirements

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the table below blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Admission	Completion
Transcript	<input checked="" type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input checked="" type="radio"/> No

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

3. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

4. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2018-19. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

Are there programs with student teaching models?

- Yes
 No

If yes, provide the next two responses. If no, leave them blank.

Programs with student teaching models (most traditional programs)	
Number of clock hours of supervised clinical experience required prior to student teaching	<input type="text" value="146"/>
Number of clock hours required for student teaching	<input type="text" value="525"/>

Are there programs in which candidates are the teacher of record?

- Yes
 No

If yes, provide the next two responses. If no, leave them blank.

Programs in which candidates are the teacher of record in a classroom during the program (many alternative programs)	
Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom	<input type="text"/>
Number of years required for teaching as the teacher of record in a classroom	<input type="text"/>

Number of full-time equivalent faculty supervising clinical experience during this academic year (IHE staff)

[Optional tool](#) for automatically calculating full-time equivalent faculty in the system

Number of adjunct faculty supervising clinical experience during this academic year (IHE staff)

Number of cooperating teachers/K-12 staff supervising clinical experience during this academic year

Number of students in supervised clinical experience during this academic year

Please provide any additional information about or descriptions of the supervised clinical experiences:

Each candidate is placed with a highly qualified teacher in their major. Candidates are required to complete 70 full days in that placement. Each candidate is assigned two university supervisors. At least one of the two supervisors is certified in the candidate's major; if both are not certified in that area the second is certified in school administration. During the 70 days, each candidate is observed a minimum of 9 times by the two supervisors (6 observations) and the classroom teacher (3 observations). The rubric used for these observations is state approved and each observer has been trained to use the rubric. The Coordinator of Field Placements holds workshops with the candidates and visits classrooms to provide support to the candidates and the classroom teacher. These workshops are orientation, two days before starting in their placements; follow-up sessions, 3 weeks after orientation; and exit meeting. Throughout the semester, the Coordinator visits each candidate and classroom teacher a minimum of five times. Data from all assignments and observation is maintained in real-time by the candidates, supervisors and coordinator. If a candidate's scores drop below minimum level, the coordinator, classroom teacher, supervisors and candidate will work together to remediate any needed area through a Plan of Action. This plan will stay in place for the remainder of the semester and will be monitored as new data is available. At the end of the semester, the candidates will be marked as met standard if all rubric areas are above the institutional standard. The candidates will be recommended for certification if they meet standards and have passed all state required certification exam requirements.

Enrollment and Program Completers

THIS PAGE INCLUDES:

>> [Enrollment and Program Completers](#)

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

(§205(a)(1)(C)(ii))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Enrolled Student](#)
- [Program Completer](#)

Enrollment and Program Completers

2018-19 Total	
Total Number of Individuals Enrolled	147
Subset of Program Completers	18

Gender	Total Enrolled	Subset of Program Completers
Male	46	5
Female	101	13
Non-Binary/Other	0	0
No Gender Reported	0	0
Race/Ethnicity	Total Enrolled	Subset of Program Completers
American Indian or Alaska Native	0	0
Asian	0	0
Black or African American	17	1
Hispanic/Latino of any race	5	1
Native Hawaiian or Other Pacific Islander	0	0
White	121	16

Race/Ethnicity	Total Enrolled	Subset of Program Completers
Two or more races	1	0
No Race/Ethnicity Reported	3	0

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Academic Major](#)

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2018-19.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

What are CIP Codes?

No teachers prepared in academic year 2018-19

If your program has no teachers prepared, check the box above and leave the table below blank (or [clear responses already entered](#)).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>).

CIP Code	Subject Area	Number Prepared
13.10	Teacher Education - Special Education	<input type="text" value="3"/>
13.1202	Teacher Education - Elementary Education	<input type="text" value="5"/>

CIP Code	Subject Area	Number Prepared
13.1203	Teacher Education - Junior High/Intermediate/Middle School Education	<input type="text"/>
13.1210	Teacher Education - Early Childhood Education	2
13.1301	Teacher Education - Agriculture	<input type="text"/>
13.1302	Teacher Education - Art	<input type="text"/>
13.1303	Teacher Education - Business	<input type="text"/>
13.1305	Teacher Education - English/Language Arts	<input type="text"/>
13.1306	Teacher Education - Foreign Language	<input type="text"/>
13.1307	Teacher Education - Health	<input type="text"/>
13.1308	Teacher Education - Family and Consumer Sciences/Home Economics	<input type="text"/>
13.1309	Teacher Education - Technology Teacher Education/Industrial Arts	<input type="text"/>
13.1311	Teacher Education - Mathematics	<input type="text"/>
13.1312	Teacher Education - Music	6
13.1314	Teacher Education - Physical Education and Coaching	2
13.1315	Teacher Education - Reading	<input type="text"/>
13.1316	Teacher Education - Science Teacher Education/General Science	<input type="text"/>
13.1317	Teacher Education - Social Science	<input type="text"/>
13.1318	Teacher Education - Social Studies	<input type="text"/>
13.1320	Teacher Education - Trade and Industrial	<input type="text"/>
13.1321	Teacher Education - Computer Science	<input type="text"/>
13.1322	Teacher Education - Biology	<input type="text"/>
13.1323	Teacher Education - Chemistry	<input type="text"/>
13.1324	Teacher Education - Drama and Dance	<input type="text"/>
13.1328	Teacher Education - History	<input type="text"/>
13.1329	Teacher Education - Physics	<input type="text"/>
13.1331	Teacher Education - Speech	<input type="text"/>

CIP Code	Subject Area	Number Prepared
13.1337	Teacher Education - Earth Science	<input type="text"/>
13.14	Teacher Education - English as a Second Language	<input type="text"/>
13.99	Education - Other Specify: <input type="text"/>	<input type="text"/>

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2018-19. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

[What are CIP Codes?](#)

Do participants earn a degree upon completion of the program?

- Yes
 No

No teachers prepared in academic year 2018-19

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or [clear responses already entered](#)).

CIP Code	Academic Major	Number Prepared
13.10	Teacher Education - Special Education	<input type="text" value="3"/>
13.1202	Teacher Education - Elementary Education	<input type="text" value="5"/>

Program Assurances

THIS PAGE INCLUDES:

>> [Program Assurances](#)

Respond to the following assurances. Note: Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#); [§206\(b\)](#))

Program Assurances

1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
 No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
 No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
 No
 Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
 No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
 No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
 No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
 No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

- Meet once a semester with cooperating teachers, alumni, and clinical students to review program data and identify opportunities for improvement.
- Network with local and state school district officials to anticipate needs.
- Prepare new courses to provide the required training for new teacher candidates and revise existing courses to reflect the needs of the school districts in general education and special education.
- Renew partnerships with cooperating school districts for practicum and clinical placements in varying settings.
- Require specific coursework in core academic courses for all elementary, early childhood, physical education, music education, and special education majors.
- Review specific coursework in core academic courses for all elementary, early childhood, physical education, music education, and special education majors for any changes required by the state department of education and any accrediting agencies.
- Focus a portion of the instruction in all required education courses on accommodations and instruction for children with disabilities.
- Focus a portion of the instruction in all required education courses on accommodations and instruction limited English proficient students.
- Place all education majors in diverse settings in field experiences and clinical experiences to include urban, rural, and low-

income schools. • Conduct surveys for districts, alumni, candidates, and supervisors to determine the needs of the local schools, graduates, and candidates. • Emphasize required skills during the practicum and clinical experiences for practical applications.

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

8. Describe your goal.

Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in science in 2020-21? If no, leave the next question blank.

- Yes
 No

10. Describe your goal.

Annual Goals: Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Please note that the goals you set last year are not pre-loaded into your report because the Department's changes to wording of the questions in this section make them incompatible for pre-loading from last year's data. Next year, your goals will be pre-loaded into your report based on the goals you enter this year.

In order to complete this section, you may find it helpful to review your goals in your 2019 report. You may download and review your 2019 report by following the following steps: 1) click the Home tab, 2) click "Academic Year 2018-19 Data" in the banner near the top of the page to expand the dropdown, and select "Academic Year 2017-18 Data," 3) Click Download Report.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

THIS PAGE INCLUDES:

- >> [Report Progress on Last Year's Goal \(2018-19\)](#)
- >> [Review Current Year's Goal \(2019-20\)](#)
- >> [Set Next Year's Goal \(2020-21\)](#)

Report Progress on Last Year's Goal (2018-19)

1. Did your program prepare teachers in special education in 2018-19?

If no, leave remaining questions for 2018-19 blank (or [clear responses already entered](#)).

- Yes
 No

2. Describe your goal.

Increase the number of enrolled special education majors by 2 students per year.

3. Did your program meet the goal?

- Yes
 No

4. Description of strategies used to achieve goal, if applicable:

1. Provide information to potential special education students on additional financial aid opportunities for Special Education majors. 2. Special Education instructors talk to potential Special Education majors concerning job opportunities and the major on Preview Days and in individual meetings.

3. Special Education instructors are assigned as the advisor for the special education majors.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Assist those candidates interested in Special Education to pass the entrance exam requirement to the Education program required by the SC Department of Education.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2019-20)

7. Is your program preparing teachers in special education in 2019-20? If no, leave the next question blank.

- Yes
 No

8. Describe your goal.

Increase the number of enrolled special education majors by 2 students annually.

Set Next Year's Goal (2020-21)

9. Will your program prepare teachers in special education in 2020-21? If no, leave the next question blank.

- Yes
 No

10. Describe your goal.

Increase the number of enrolled special education majors by 2 students annually. Increase the number of completers in special education majors by 2 students annually.

Annual Goals: Instruction of Limited English Proficient Students

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

Low-Performing

1. Is your teacher preparation program currently approved or accredited?

- Yes
- No

If yes, please specify the organization(s) that approved or accredited your program:

- State
- CAEP
- AAQEP
- Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?

- Yes
- No

Use of Technology

THIS PAGE INCLUDES:

>> [Use of Technology](#)

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Southern Wesleyan University employs a variety of strategies to integrate technology into the teacher preparation program. 1. Integrate technology effectively into curricula and instruction in all education courses. a. Require EDUC 3432 Instructional Technology for the Education Major for all education majors. This course relates technology to the curricula and instruction for each teacher certification area—early childhood education, elementary education, physical education, music education, and special education. b. Technology components are integrated into the curriculum for all required teacher education preparation courses. c. The Southern Wesleyan University lesson plan template has required elements—Materials and Technology Integration and Knowledge of Technology. 2. Use technology effectively to collect, manage, and analyze data. a. An element of the required course, EDUC 3432 Instructional Technology for the Education Major, looks at systems that can be used to collect and manage data. Analysis of data is explored to facilitate student learning and increase academic achievement. b. A required course for early childhood education, elementary education, and special education, EDUC 3523 Curriculum, Instruction, Assessment for General/Special Education, explores assessment practices that facilitate student learning and analysis of assessment results and basic statistical applications. Assessment is investigated further by early childhood education and elementary education majors in EDUC 4052 Assessing Reading and Guiding. c. All secondary education majors explore assessment practices and the analysis of test results to facilitate student learning and achievement in EDUC 2123 Effective Methods for Middle and Secondary School/Field Experience. Technology is a major tool in gathering and using the data because the majority of the schools in South Carolina require Measure of

Academic Performance (MAP) testing. d. Pre-Clinical and Clinical teaching experiences are required for all candidates in the teacher preparation program. A major focus of these experiences involves lesson-planning, with required components of pre-assessment, post-assessment, and an analysis of how the results would be used to facilitate student learning. Technology is a major tool in gathering and using the data. 3. The School of Education utilizes an e-portfolio system, Chalk and Wire, to collect teacher candidate data for major benchmarks in the Teacher Education program. The data is used by the School of Education to make decisions for the unit, program, and course improvement on student candidates' use of assessment to modify instruction. e. Pre- and Post- assessment and how the use of the data impacts K-12 instruction is emphasized in Pre-clinical and Clinical for all candidates.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

Provide the following information about your teacher preparation program.

(§205(a)(1)(G))

Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

a. Teach students with disabilities effectively

Every education candidate must take EDUC 3203 Introduction to the Exceptional Children which covers the history of educating exceptional children. An examination of the current laws and the special problems confronted in dealing with the gifted, learning disabled, mentally disabled, emotionally disturbed, or the physically handicapped child will be covered. This class also includes a unit in fingerspelling for basic communication skills with the hearing impaired and a unit on teaching math and reading to ELL learners. There is a thirty-hour Service Learning requirement for all Education students as partial fulfillment of requirements of the EEDA. Every lesson plan includes components-Understanding Your Learners: a. Differentiation for Diverse Learners b. Accommodations for 504 plans, IEPs, GT and/or ELL. Data is collected on these components for each teacher candidate.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

The School of Education at Southern Wesleyan University prepares special education teachers to teach students with disabilities effectively by teaching future special education majors how to make special accommodations, how to make sure the learning modalities are used, and planning direct instruction, group instruction, collaborative learning, independent learning, enrichment, and differentiated instruction to all students who qualify for special services placement. In methods classes for elementary math, elementary reading, teaching the LD, teaching the Mild to Moderately Handicapped, teaching the B/ED, students are taught how to modify their curriculum to match the timeline for instructional purposes. This is correlated with the goals and objectives of the student's IEP. All majors taking the Introduction to Exceptional Child class are introduced to a completed psychological evaluation. Students are introduced to the screening tests used to determine achievement and to the Intelligence tests used for the IQ. Future Special Education teachers are also introduced to the process of writing overall goals and more specific objectives based on the findings of the psychological results. Emphasis is placed on response to intervention (RTI) and transitions. Students are required to write a behavior intervention plan during this time.

c. Effectively teach students who are limited English proficient.

Working with ELL students is another area dealt with in the Introduction to Exceptional Children. Ways to make accommodations and strategies for teaching ELL students are covered in one of the units from our current text. During the special education student's placement in the preclinical experience the semester before student teaching, they are required to participate in an actual placement meeting in their setting with the permission of the cooperating teacher and other required parties. During the student teaching experience, all student teachers must attend one or more placement meetings with their cooperating teacher. Reading courses that emphasize teaching reading to ELL students as well as the general population are required.

2. Does your program prepare special education teachers?

- Yes
 No

If yes, provide a description of the activities that prepare *special education teachers* to:

a. Teach students with disabilities effectively

The School of Education offers teacher certification in Special Education Multicategorical according to guidelines recognized by the South Carolina State Department of Education. The program is designed to meet the requirements for the South Carolina Special Education Multi-categorical initial license (K-12) which is required to teach P-12 students with mild to moderate disabilities (attention-deficit hyperactivity disorders, emotional disabilities, learning disabilities, autism spectrum disorders, and traumatic brain injuries) in resource, self-contained, and inclusion settings. Program coursework focuses on legal aspects of the profession, characteristics and identification of mild-moderately disabled learners, procedures for special education programming, evidence-based remedial techniques methodologies, formal/informal assessment, behavior management, parent and teacher collaboration, and field experiences. The program consists of a general education strand, a professional education strand, and methods courses in language arts, science, social studies, mathematics, early literacy, fine arts, physical education, and literature. The teacher candidate learns developmentally appropriate strategies for teaching and assessing P-12 students.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

In their fourth year of preparation, candidates enroll in Education 4628 and 4638 (clinical experience) which requires completion of 70 full school days of professional activities and experiences in a public school special education classroom. Candidates may request the educational level (elementary, middle, and high) and the type of special education classroom (resource, self-contained, inclusion, transition) for their directed teaching placement. Throughout the programs, candidates have placements in elementary, middle, and high school. Candidates work with the local educational teams with the schools to plan for IEPs and 504 plans to meet the individualized needs of the students.

c. Effectively teach students who are limited English proficient.

In their fourth year of preparation, candidates enroll in Education 4628 and 4638 (clinical experience) which requires completion of 70 full school days of professional activities and experiences in a public school in inclusive classrooms. Candidates may request the educational level (elementary, middle, and high) and the type of classroom (resource, self-contained, inclusion, transition) for their directed teaching placement. Throughout the programs, candidates have placements in elementary, middle, and high school. Candidates work with local educational teams with the schools to plan for IEPs and 504 plans to meet the individualized needs of the ELL students.
