

Practice with Big Interview

Practice Interviewing Online

Big Interview is a software program that provides free, online interview practice for SWU students and registered alumni. With Big Interview you will be able to:

- Practice tough interviewing questions with the ability to record, review, and share your answers.
- Choose from dozens of interview sets and over 20 different industries/majors.
- Utilize nearly 40 lessons and learn all the best interviewing techniques to get you on track.
- Save your practice interviews to review later and get feedback from others.

How do I use Big Interview?

1. Go to <https://swu.biginterview.com/> and register, using your SWU email account
2. Click the button “Register” at the top right corner.
3. Complete the registration form, and click “Create My Account”
4. You’ll then receive a confirmation email. Click “Verify” in the email, and you’ll be able to start using Big Interview.
5. Conduct your first practice interview by granting access the webcam and microphone on your device or laptop.

If you are SWU alumni and do not have an active SWU email address, go to <https://swualumni.biginterview.com/> and click “Register”. Enter the “Organization Code” enter: **SWU1906 and complete the rest of the form to create your account. Make sure to complete the confirmation email to verify your email address for access to Big Interview.*

When you are ready to start, visit the [Big Interview Knowledge Site](#) for more tips, to print a PDF of instructions, and to view a demo. You can also check out the [Big Interview Introduction Video](#).
