¹ Anderson School District 1, ² Anderson School District 4, ³ Anderson School District 5, ⁴ Greenville County, ⁵ Pickens County, ⁶ Oconee County

* Although NCATE encourages institutions to report the data available for each school used for clinical practice, units may not have these data available by school. If the unit uses more than 20 schools for clinical practice, school district data may be substituted for school data in the table below. In addition, data may be reported for other schools in which field experiences, but not clinical practice, occur. Please indicate where this is the case.
