IV. Academic Regalia:

The style of each academic gown indicates the highest degree earned by the wearer: bachelors—long, pointed sleeves; masters—long, closed sleeves with the arm going through a slit, giving the appearance of short-sleeves; doctors—full, round, and open, with three bars of velvet on each sleeve. The bars may be black or the color designating the major discipline.

Some universities have adopted an official doctoral gown incorporating the school colors. These are examples worn by several Southern Wesleyan University Faculty:

Clemson University	Purple and Orange
University of Colorado	Gold and Silver
University of South Carolina	Garnet and Black

The academic hood is an ornamental fold that goes around the neck and hangs down the back of the gown. The hood is lined in the official colors of the university that awarded the degree; the color of the facing indicates the degree.

Holders of all degrees wear caps with a long tassel conforming to the degree earned, except that doctors may wear tassels of gold thread.

The following colors have been established by the Intercollegiate Commission:

Apricot	- Nursing
Brown	- Fine Arts, including Architecture
Citron	- Social Work
Copper	- Economics
Crimson	- Journalism
Dark Blue	- Philosophy
Drab	- Commerce, Accountancy, Business
Gray	- Veterinary Science
Green	- Medicine
Lemon	- Library Science
Light Blue	- Education
Lilac	- Dentistry
Maize	- Agriculture
Olive Green	- Pharmacy
Orange	- Engineering
Peacock Blue	- Public Administration, including Foreign Service
Pink	- Music
Salmon	- Public Health
Purple	- Law
Russet	- Forestry
Sage Green	- Physical Education
Scarlet	- Theology
Silver Gray	- Oratory (Speech)
White	- Arts, Letters, Humanities
Golden Yellow	- Science

V. Applause:

When your name is called and you walk across the platform, your family is invited to stand in recognition of your achievement. Whistling and boisterous behavior is considered inappropriate. Applause is reserved for those earning honor; after all degrees have been awarded, all graduates will be applauded.

VI. Applications:

You must **apply** to graduate, regardless of whether you plan to participate in the ceremony or not. The deadline to apply is indicated in Section II. If you plan to graduate in December 2020, but have not applied, please contact Academic Records immediately. We must have your application, so we may check to see if you have met all requirements and order your diploma. Students who do not meet all the appropriate deadlines will not be allowed to participate in the ceremony, and will have to wait until May 2021 to earn their degree.

VII. Appropriate Attire for Graduates:

This is a time of final honoring of members of the class. When in academic regalia, individuals should not try to draw attention to themselves by wearing flashy clothing or extraneous decorations. Please press your robe and **DO NOT DECORATE** your cap!

VII. Cameras, Photographs, and Videos:

A professional photographer will photograph you receiving your diploma from the president. You will receive an opportunity to purchase copies of these photos directly from the photographer approximately one week after the ceremony.

Cameras are allowed during the commencement services. Due to limited seating, tripods may not be used.

IX. Cell Phones:

Please make sure your cell phones are turned off. Also ask your guests to turn off their cell phones during the service.

X. Diplomas

During the graduation ceremonies, students will be given a decorative diploma cover. Diplomas will be mailed to graduates once all graduation requirements and financial obligations have been certified as met.

All diplomas will be printed with the "Official Degree Conferral Date" indicated in the calendar above.

XI. Food Service:

The on-campus Coffee Shop and Campus Dining Services will be open on graduation day with social distancing protocols and service according to regulations in November.

XII. Honors:

For Latin Honors, calculation of the cumulative grade point average is based on all work attempted at SWU and from regionally accredited institutions, at least forty-five hours of which must be from Southern Wesleyan University with a cumulative GPA of at least 3.4 on all SWU work attempted. Based on this GPA, Latin Honors are awarded as follows:

Summa cum laude ("with highest praise"), indicated by an honor medallion and a double honor cord, denotes a cumulative GPA of 3.80 or above.

Magna cum laude ("with high praise"), indicated by a double honor cord, denotes a cumulative GPA of 3.60 to 3.79.

Cum laude ("with praise"), indicated by a single honor cord, denotes a cumulative GPA of 3.40 to 3.59.

University Honors: In the event that a student is ineligible for Latin Honors but has achieved a cumulative SWU GPA of at least 3.8 on no less than 60 credits earned at Southern Wesleyan University, that student will be assigned the designation of "university honors."

Grades earned in SWU courses and also in courses from accredited institutions that are equivalent to SWU offerings or are applicable to SWU degree programs are included in the calculation for graduation honors. Non-credit courses and 0.0 courses count as 0.0.

Αχ recognizes membership in Alpha Chi Honor Society, open to the top ten percent of the senior class (Traditional program). The name is derived from the initial letters of αλήθεια (truth) and χαρακτήρ (character). Membership is indicated by the blue and green honor cord.

The Faculty Marshal is the senior faculty member; the Marshal is the junior with highest GPA.

Junior academic leaders serve as ushers.

Latin Honors are not awarded to students earning Masters' degrees. At the graduate level, academic hoods are worn as a part of the regalia, and symbolize the graduate level achievement.

XIII. Invitations:

Graduation **invitations** may be ordered online from [Herff Jones](http://www.herffjones.com) at <https://www.herffjones.com/product/graduation/>. (The Herff Jones web page is typically available approximately two months prior to ceremony.) Class Rings are also ordered directly from Herff-Jones via their web site www.herffjones.com. XV. Multiple Degrees:

After December 2003, students may not earn an Associate's and Bachelor's degree at the same ceremony. The Associate's degree must be awarded prior to the awarding of the Bachelor's degree.

Students earning both the Bachelor of Arts degree and the Bachelor of Science degree have completed an additional thirty hours of coursework, over and above the hours required for the first degree.
