Set academic and/or financial permissions for those important individuals in your life that may be helping you navigate your college experience (ex. parent, spouse, grandparent)

## Set Privacy Options

At any time, you may reset or rescind the privacy options of any third party (ex. Parent, Spouse, Grandparent) person by resubmitting this form.

**PLEASE NOTE! If this is the first time you are setting privacy options, you may see an error at the completion of the form that says "There was a problem retrieving existing permissions". Please ignore this error, as it is a "bug". If you do not receive an email confirmation stating that you have successfully set your privacy options, please contact the Student Accounts office at 864-644-5520.**

The following people can currently access your student information. Click to see your defined permissions.

**Click here to grant access to each individual.**
