MASTER OF
BUSINESS ADMINISTRATION
WITH HEALTH CARE ADMINISTRATION CONCENTRATION
ONLINE PROGRAM

If you want to increase your salary, expand your employability and advance your career ethically in the health care industry, a Master of Business Administration degree with a concentration in Health Care Administration can help make that happen. SWU's rigorous online MBA in Health Care Administration degree program was designed in collaboration with healthcare professionals at Baptist Easley Hospital so busy professionals can earn their MBA from home and meet the industry's ever-growing need for business-minded managers.

This Health Care Administration degree program fully prepares you to navigate actual management situations, use critical thinking and decision-making skills to solve organizational problems, develop communication skills essential for successful business presentations, and work effectively within the current era of health care reform.

Our MBA program stands apart because it also incorporates servant-leadership principles and Christ-centered strategies for handling the ethical and legal challenges of today's health care environments.

*Prospective students must have current or past experience working within a health care setting or related organization.

ONLINE EXPERIENCE

This program is offered in a fully online format, with all courses offered through an online learning management system. Courses are seven weeks in length.

As an online student, you will earn the same degree as you would in the physical classroom. Courses are taught in a flexible virtual classroom experience, designed to be both engaging and challenging. Students have access to an incredible array of learning resources and can complete their online degrees around their own schedule.

At Southern Wesleyan, we understand the needs and commitments of working adults. We have been providing working adults with Christ-centered educational opportunities for more than 30 years. Our programs are specifically designed to allow you to earn an associate's, bachelor's or master's degree while still meeting your personal and professional responsibilities.

The Master of Business Administration with Health Care Administration Concentration program is a 36 credit hour program of study.

Average completion time is 24 months.
