

# EDUCATING STUDENTS. GROWING THE CHURCH.

Southern Wesleyan University wants to thank you and your church for being committed partners in God's work. We believe God is moving at SWU as we continue our mission of developing servant leaders through inventive learning opportunities to impact the world for Christ in communities like yours.

## THERE ARE LOTS OF EXCITING THINGS HAPPENING AT SWU!

- SWU Online now offers 10 fully online degree programs including associate, bachelor's, master's and doctoral options.
- SWU recently launched it's first online doctoral degree program: an Ed.D. in Curriculum and Assessment.
- The new 3+1 Religion Track option features three years of on-campus education and one year church residency. The program adds practical experience to ministry preparation.
- A brand new residence hall opened last fall. It not only provides spacious and comfortable student rooms, but inventive spaces for learning and community development.
- The Church Matching Scholarship Program provides a great way for the local church to partner in a student's education. SWU will match up to \$1,000 per year.
