Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?

<https://www2.ed.gov/programs/tqpartnership/awards.html>

- Yes
 No

If yes, provide the following:

AWARD YEAR

GRANTEE NAME

PROJECT NAME

GRANT NUMBER

LIST PARTNER DISTRICTS/LEAS (ONE PER LINE)

LIST OTHER PARTNERS (ONE PER LINE)

PROJECT TYPE

- Residency
- Pre-baccalaureate
- Both Residency and Pre-baccalaureate

List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> [Program Information](#)

Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <https://www2.ed.gov/programs/tqpartnership/awards.html>.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
Biology Education (BS)	No	
Early Childhood Education (BS)	No	
Elementary Education (BS)	No	
English Education (BA)	No	
Mathematics Education (BS)	No	
Music Education (BA)	No	
Physical Education (BS)	No	
Secondary Social Studies	No	
Special Education (Multi-Categorical) (BS)	No	

Total number of teacher preparation programs: 9

Program Requirements

THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Other

If Other, please specify:

Upon completion of School of Education admission requirements

2. Does your initial teacher certification program conditionally admit students?

- Yes
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

<http://www.swu.edu/academics/school-of-education/>

4. Please provide any additional information about or exceptions to the admissions information provided above:

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Required for Entry	Required for Exit
Transcript	<input checked="" type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input checked="" type="radio"/> No

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.75

3. What was the median GPA of individuals accepted into the program in academic year 2017-18?

3.47

4. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.75

5. What was the median GPA of individuals completing the program in academic year 2017-18?

3.646

6. Please provide any additional information about the information provided above:

Postgraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the postgraduate level?

Yes

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the postgraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

3. What was the median GPA of individuals accepted into the program in academic year 2017-18?

4. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

5. What was the median GPA of individuals completing the program in academic year 2017-18?

6. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2017-18. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	146
Average number of clock hours required for student teaching	525
Average number of clock hours required for mentoring/induction support	30
Number of full-time equivalent faculty supervising clinical experience during this academic year	6
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	7
Number of students in supervised clinical experience during this academic year	40

Please provide any additional information about or descriptions of the supervised clinical experiences:

Each candidate is placed with a highly qualified teacher in their major. Candidates are required to complete 70 full days in that placement. Each candidate is assigned two university supervisors. At least one of the two supervisors is certified in the candidate's major; if both are not certified in that area the second is certified in school administration. During the 70 days, each candidate is observed a minimum of 9 times by the two supervisors (6 observations) and the classroom teacher (3 observations). The rubric used for these observations is state approved and each observer has been trained to use the rubric. The Coordinator of Field Placements holds workshops with the candidates and visits classrooms to provide support to the candidates and the classroom teacher. These workshops are orientation, two days before starting in their placements; follow-up sessions, 3 weeks after orientation; and exit meeting. Throughout the semester, the Coordinator visits each candidate and classroom teacher a minimum of five times. Data from all assignments and observation is maintained in real-time by the candidates, supervisors and coordinator. If a candidate's scores drop below minimum level, the coordinator, classroom teacher, supervisors and candidate will work together to remediate any needed area through a Plan of Action. This plan will stay in place for the remainder of the semester and will be monitored as new data is available. At the end of the semester, the candidates will be marked as met standard if all rubric areas are above the institutional standard. The candidates will be recommended for certification if they meet standards and have passed all state required certification exam requirements.

Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2017-18	<input type="text" value="131"/>
Unduplicated number of males enrolled in 2017-18	<input type="text" value="35"/>
Unduplicated number of females enrolled in 2017-18	<input type="text" value="96"/>

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ([§205\(a\)\(1\)\(C\)\(ii\)\(H\)](#))

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

[Additional guidance on reporting teachers prepared by subject area.](#)

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

[Additional guidance on reporting teachers prepared by academic major.](#)

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2017-18 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Program Completers](#)

Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2017-18	<input type="text" value="24"/>
2016-17	<input type="text" value="20"/>
2015-16	<input type="text" value="11"/>

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Annual Goals - Mathematics](#)
- >> [Annual Goals - Science](#)
- >> [Annual Goals - Special Education](#)
- >> [Annual Goals - Instruction of Limited English Proficient Students](#)
- >> [Assurances](#)

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in mathematics in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2017-18?

3. Did your program meet the goal for prospective teachers set in mathematics in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in mathematics in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

Secondary Math was discontinued in October 2018, and we will teach out the remaining two.

Academic year 2019-20

10. Will your program prepare teachers in mathematics in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in science in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in science in 2017-18?

3. Did your program meet the goal for prospective teachers set in science in 2017-18?

- Yes
 No

Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

Secondary Science was discontinued in October 2018, and we will teach out the remaining students.

Academic year 2018-19

7. Is your program preparing teachers in science in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in science in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

Secondary Science was discontinued in October 2018, and we will teach out the remaining students.

Academic year 2019-20

10. Will your program prepare teachers in science in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in science in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. [\(§205\(a\)\(1\)\(A\)\(ii\). §206\(a\)\)](#)

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in special education in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in special education in 2017-18?

2

3. Did your program meet the goal for prospective teachers set in special education in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

1. Provide information to potential special education students on additional financial aid opportunities for Special Education majors.
2. Special Education instructors talk to potential Special Education majors concerning job opportunities and the major on Preview Days and in individual meetings.
3. Special Education instructor is assigned as the advisor for the special education majors.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Continue with the strategies listed above.

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in special education in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in special education in 2018-19?

2

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in special education in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in special education in 2019-20?

2

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in instruction of limited English proficient students in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2017-18?

3. Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in instruction of limited English proficient students in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in instruction of limited English proficient students in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
 No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
 No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
 No
 Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
 No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
 No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
 No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

• Meet once a semester with cooperating teachers, alumni, and clinical students to review program data and identify opportunities for improvement. • Network with local and state school district officials to anticipate needs. • Prepare new courses to provide the required training for new teacher candidates and revise existing courses to reflect needs of the school districts in general education and special education. • Renew partnerships with cooperating school districts for practicum and clinical placements in varying settings. • Require specific coursework in core academic courses for all elementary, early childhood, physical education, music education, and special education majors. • Review specific coursework in core academic courses for all elementary, early childhood, physical education, music education, and special education majors for any changes required by state department of education and any accrediting agencies. • Focus a portion of the instruction in all required education courses on accommodations and instruction for children with disabilities. • Focus a portion of the instruction in all required education courses on accommodations and instruction limited English proficient students. • Place all education majors in diverse settings in field experiences and clinical experiences to include urban, rural, and low-income schools. • Conduct surveys to determine the needs of the local schools, graduates, and candidates. • Emphasize required skills during the practicum and clinical experiences for practical applications.

Assessment Pass Rates

Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State
 NCATE
 TEAC
 CAEP
 Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes
 No

Use of Technology

THIS PAGE INCLUDES:

>> [Use of Technology](#)

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Southern Wesleyan University employs a variety of strategies to integrate technology into the teacher preparation program. 1. Integrate technology effectively into curricula and instruction a. EDUC 3432 Instructional Technology for the Education Major is required for all education majors. This course relates technology to the curricula and instruction for each teacher certification area—early childhood education, elementary education, physical education, music education, and special education. b. Technology components are integrated into the curriculum for all required teacher education preparation courses. c. The Southern Wesleyan University lesson plan template has required elements—Materials and Technology Integration and Knowledge of Technology. 2. Use technology effectively to collect, manage, and analyze data. a. An element of the required course, EDUC 3432 Instructional Technology for the Education Major, looks at systems that can be used to collect and manage data. Analysis of data is explored to facilitate student learning and increase academic achievement. b. A required course for early childhood education, elementary education, and special education, EDUC 3523 Curriculum, Instruction, Assessment for General/Special Education, explores assessment practices that facilitate student learning and analysis of assessment results and basic statistical applications. Assessment is investigated further by early childhood education and elementary education majors in EDUC 4052 Assessing Reading and Guiding. c. All secondary education majors explore assessment practices and the analysis of test results to facilitate student learning and achievement in EDUC 2123 Effective Methods for Middle and Secondary School/Field Experience. Technology is a major tool in gathering and using the data because the majority of the schools in South Carolina require Measure of Academic

Performance (MAP) testing. d. Pre-Clinical and the Clinical teaching experiences are required for all candidates in the teacher preparation program. A major focus of these experiences involves lesson-planning, with required components of pre-assessment, post-assessment and an analysis of how the results would be used to facilitate student learning. Technology is a major tool in gathering and using the data. 3. The School of Education utilizes an e-portfolio system, Chalk and Wire, to collect teacher candidate data for major benchmarks in the Teacher Education program. The data is used by the School of Education to make decisions for the unit, program, and course improvement on student candidates use of assessment to modify instruction. e. Pre- and Post- assessment and how use of the data impacts K-12 instruction is emphasized in Pre-clinical and Clinical for all candidates.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes
 No

b. participate as a member of individualized education program teams

- Yes
 No

c. teach students who are limited English proficient effectively

- Yes
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Every education candidate must take EDUC 3203 Introduction to the Exceptional Children which covers the history of educating exceptional children. An examination of the current laws and the special problems confronted in dealing with the gifted, learning disabled, mentally disabled, emotionally disturbed, or the physically handicapped child will be covered. This class also includes a unit in finger spelling for basic communication skills with the hearing impaired and a unit on teaching math and reading to ELL learners. There is a thirty hour Service Learning requirement as partial fulfillment of requirements of the EEDA. Every lesson plan includes components-Understanding Your Learners: a. Differentiation for Diverse Learners b. Accommodations for 504 plans, IEPs, GT and/or ELL. Data is collected on these components for each teacher candidate.

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes
 No
 Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes
- No
- Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

- Yes
- No
- Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

The School of Education at Southern Wesleyan University prepares special education teachers to teach students with disabilities effectively by teaching future special education majors how to make special accommodations, how to make sure the learning modalities are used, and planning direct instruction, group instruction, collaborative learning, independent learning, enrichment, and differentiated instruction to all students who qualify for special services placement. In methods classes for elementary math, elementary reading, teaching the LD, teaching the Mild to Moderately Handicapped, teaching the B/ED, students are taught how to modify their curriculum to match the timeline for instructional purposes. This is correlated with the goals and objectives of the student's IEP. All Special Education majors taking the Introduction to Exceptional Child class are introduced to a completed psychological evaluation. Students are introduced to the screening tests used to determine achievement and to the Intelligence tests used for the IQ. Future Special Education teachers are also introduced to the process of writing overall goals and more specific objectives based on the findings of the psychological results. Emphasis is placed on response to intervention (RTI) and transitions. Students are required to write a behavior intervention plan during this time. Working with ELL students is another area dealt with in the Introduction to Exceptional Children. Ways to make accommodations and strategies for teaching ELL students are covered in one of the units from our current text. During the special education student's placement in the pre-clinical experience the semester before student teaching, they are required to participate in an actual placement meeting in their setting with the permission of the cooperating teacher and other required parties. During the student teaching experience, all student teachers must attend one or more placement meetings with their cooperating teacher.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.
