My Account Info

View your statement, account holds, account history, or make a payment

The screenshot shows a user interface for 'My Account Info'. At the top, there is a blue header with the text 'My Account Info'. Below the header, there is a red notification box with a red exclamation mark icon and the text '1 Account Related Hold'. To the right of this box is a 'Read more' link. Below the notification box, there is a section titled 'Balances Due'. Under this section, it says 'Total Amount Due' followed by '2.00' and a green 'Make payment' button. At the bottom of the 'Balances Due' section, there are two links: 'Account statement' and 'View account details & history'. Two blue curved arrows originate from callout boxes below the screenshot. One arrow points from the 'View a PDF account statement' box to the 'Account statement' link. The other arrow points from the 'View your full account history' box to the 'View account details & history' link.
